Hi, here's the latest from EDF Health:

[FDA-approved PFAS: A serious breakdown in assessing food additive safety](#)

By Tom Neltner

Tom Neltner, J.D., Chemicals Policy Director, and Maricel Maffini, Ph.D., Independent Consultant This blog is the fourth in a series describing information we discovered in reviewing thousands of pages from the Food and Drug Administration's (FDA) response to our Freedom of Information Act (FOIA) of the agency's approval of 31 Food Contact Substance Notifications (FCNs) from [...]
